The banner features a blue header with the European Union flag and the text "EudraVigilance - European database of suspected adverse drug reaction reports". Below this, a white box contains text about the European Medicines Agency's transparency. The main body is black with white text stating "COVID-19 Vaccine Adverse Drug Reactions 10,570 DEAD 405,259 Injuries Through May 08, 2021" and lists four vaccine types. The footer includes the European Medicines Agency logo and the EudraVigilance logo.

EudraVigilance - European database of suspected adverse drug reaction reports

The European Medicines Agency publishes these data so that its stakeholders, including the general public, can access information that European regulatory authorities use to review the safety of a medicine or active substance. **Transparency** is a key guiding principle of the Agency.
